Attention:

You will be travelling to Atlin Saturday morning, which means that you should be in Whitehorse Friday afternoon or evening. Immediately upon your arrival in Atlin at around 9:30 AM, we will show you to your rooms or cottages and conduct our safety orientation. Skiing and Boarding will start afterwards. This schedule will be of great advantage to you as you will be able to heliski or board 7 days instead of 6 days with the same travelling time as before.

Heliskiing in Atlin is way too good to loose even just one day!
